

SERVING THE AEROSPACE INDUSTRY

ABOUT **FAZTEK**

Faztek is a B2B manufacturer that creates custom industrial solutions from aluminum extrusions, steel, thermoplastics, and more. Faztek's mission is to provide quality solutions through innovative designs, dependable service, efficient turnarounds and competitive prices.

Material Handling

Custom material handling carts can be designed to meet your specific needs while still providing the flexibility to change and adapt for future jobs.

Custom Test Cells

From testing enclosures for mechanical equipment to heavy-duty test stands, our custom solutions are made to endure rigorous testing.

Custom Partitions

Utilize custom partitions in your offices between employees to cut down on sound in the work area. Partitions can be free-standing or bolted to the ground.

Modular Workstations

Choose the extrusion your frame is built from, the tabletop that best works for you, and a variety of add-ons to make your workstation the complete solution you need.

WHY CHOOSE **FAZTEK**

Faztek not only has a wide variety of products, but they also provide a large list of services to help you through every step of the process. From drafting assistance all the way through on-site installations, Faztek's team is here to assist you. Call one of our representatives today to get help on your next material handling solution!
