

# BLACK ANODIZE

## ABOUT **FAZTEK**

Faztek is a B2B manufacturer that creates custom industrial solutions from aluminum extrusions to steel and more. Faztek's mission is to provide quality solutions through innovative designs, dependable service, efficient turnarounds and competitive prices.

### Attractive **Finish**

Black anodize has an attractive finish that works well in offices for desks and decorative railings, but it also has an architectural beauty as well.

### Environmentally **Safe** Highest **Lightfastness**

Our anodizing partners only use environmentally friendly dyes. It complies with all federal and state environmental regulations.

On average, our black anodize has a lightfastness of up to 10 years without significant fading. These dyes can be adjusted for up to 20 years on request.

### Anodize **Options**

With our partnership, we are able to offer both organic dye and electrolytic 2-Step coloring options dependent on your companies application needs.

## WHY **CHOOSE FAZTEK**

Faztek not only has a wide variety of products, but they also provide a large list of services to help you through every step of the process. From drafting assistance all the way through on-site installations, Faztek's team is here to assist you. Call one of our representatives today to get help on all of your black anodizing needs!
