

SERVING THE MILITARY AND GOVERNMENT

ABOUT **FAZTEK**

Faztek is a B2B manufacturer that creates custom industrial solutions from aluminum extrusions, steel, thermoplastics, and more. Faztek's mission is to provide quality solutions through innovative designs, dependable service, efficient turnarounds and competitive prices.

Anodize Options

With our sister company being a local anodizer, we can offer both organic dye and electrolytic 2-Step coloring options with shorter lead times, to get you your project even faster.

Material Handling

Create robust, heavy-duty material handling carts with our wide variety of t-slotted aluminum extrusion profiles and accessory lines. We're here to help you create the right cart for the job!

Test Cells

No matter if you are testing standard mechanical equipment or require a test cell for more rigorous testing, our team can assist you in creating a completely custom solution.

Portable Structures

Easy setup and tear down are an important factor for on the go operations. Our product offerings offer the ability to create lightweight, easy to assemble portable structures.
