

CUSTOM RESTAURANT DIVIDERS

ABOUT **FAZTEK**

Faztek is a B2B manufacturer that creates custom industrial solutions from aluminum extrusions, steel, thermoplastics, and more. Faztek's mission is to provide quality solutions through innovative designs, dependable service, efficient turnarounds and competitive prices.

Modular Frames

Custom restaurant dividers made with t-slotted aluminum extrusion are lightweight, sturdy, and allow your design to be flexible to fit your restaurant's kitchen and dining areas.

Multiple Panels

We offer a variety of panel options and accessories. From clear polycarbonate to colored ABS to blend in with your restaurant's atmosphere. No matter your need, we have you covered.

Anodize Options

Depending on the atmosphere of your restaurant, aluminum dividers may stand out. That's why we offer a variety of anodized colors, including black, to help them blend in.

Fast Turnaround

With some of the fastest lead times in the industry, we offer restaurant dividers and sneeze guards fast to keep your employees and guests protected.

WHY CHOOSE **FAZTEK**

Faztek not only has a wide variety of products, but they also provide a large list of services to help you through every step of the process. From drafting assistance all the way through on-site installations, Faztek's team is here to assist you. Call one of our representatives today to get help on your next restaurant divider solution!
